TOWNSHIP OF ELY
MARQUETTE COUNTY, MICHIGAN
ORDAINS:

Section 1. Title

This Ordinance shall be known and cited as the Ely Township Land Division Ordinance.

Section 2. Purpose

The purpose of this Ordinance is to carry out the provisions of the State Land Division Act (1967 PA 288, as amended, formerly known as the Subdivision Control Act), to prevent the creation of parcels of property which do not comply with applicable ordinances and said Act, to minimize potential boundary disputes, to maintain orderly development of the community, and otherwise provide for the health, safety and welfare of the residents and property owners of the municipality by establishing reasonable standards for prior review and approval of land divisions within the Township.

Section 3. Definitions

For purposes of this Ordinance certain terms and words used herein shall have the following meaning:

- A. Applicant a natural person, firm, association, partnership, corporation, or combination of any of them that holds an ownership interest in land whether recorded or not.
- B. Divide or Division – the partitioning or splitting of a parcel or tract of land by the proprietor thereof or by his or her heirs, executors, administrators, legal representatives, successors or assigns, that does not result in one or more parcels of less than forty (40) acres or the equivalent; and that satisfies the requirement of Sections 108 or 109 of the State Land Division Act. Divide and Division does not include a property transfer between two or more adjacent parcels, if the property taken from one parcel is added to an adjacent parcel; and any resulting parcel

shall not be considered a building site unless the parcel conforms to the requirements of the State Land Division Act, this Ordinance, and other applicable ordinances.

- C. Exempt split or exempt division – the partitioning or splitting of a parcel or tract of land by the proprietor thereof, by his or her heirs, executors, administrators, legal representatives, successors or assigns, that does not result in one or more parcels of less than forty (40) acres or the equivalent; provided all resulting parcels are accessible for vehicular travel and utilities from existing public road through existing adequate roads or easements, or through areas owned by the owner of the parcel that can provide such access.
- D. Forty acres or the equivalent – either 40 acres, a quarter-quarter section containing not less than 30 acres, or a government lot containing not less than 30 acres.
- E. Governing body – the Ely Township Board.

Section 4. Prior Approval Requirement for Land Divisions

Land in the Township shall not be divided without the prior review and approval the Ely Township Planning Commission, in accordance with this Ordinance and the State Land Division Act; provided that the following shall be exempted from this requirement:

- A. A parcel proposed for subdivision through a recorded plat pursuant to the State Land Division Act.
- B. A lot in recorded plat proposed to be divided in accordance with the State Land Division Act.
- C. An exempt split as defined in this Ordinance.

Section 5. Application for Land Division Approval

An applicant shall file all of the following with the Ely Township Planning Commission for review and approval of a proposed land division before making any division either by deed, land contract, lease for more than one year, or for building development:

In lieu of such survey map, at the applicant's option, the applicant may waive the 30 day statutory requirement for a decision on the application until such

survey map and legal description are filed with the Township, and submit a preliminary parcel map drawn to scale of not less than 200 feet to the inch including an accurate legal description of each proposed division, and showing the boundary lines, traffic and public utilities, for preliminary review, approval and/or denial by the Ely Township Planning Commission prior to a final application under Section 5.

An accurate legal description of all the proposed divisions shall at all times be required. However, the Ely Township Planning Commission may waive the survey map requirement where the foregoing preliminary parcel map is deemed to contain adequate information to approve a proposed land division considering the size, simple nature of the divisions, and the undeveloped character of the territory within which proposed divisions are located.
